

Architectural Review Application Form

Homeowner Name: _____ Date Submitted: _____

Address: _____

Email: _____

Estimated Completion Date: _____

Modification Type: Construction Landscape Other:

Additional Information:

Please include along with this application, a simple foot print drawing of where the work will be located on your lot in relation to your lot lines and home. If you plan to build any structures, please list the types of materials you plan to use, as well as the finish colors to be applied, and show the design of the structure.

Note that all construction and installation of any improvements shall comply with local, state and federal building and land use regulations. Compliance with these regulations is the responsibility of the homeowner. This review and approval is not a review, nor an approval, for compliance with any local, state or federal building or land use regulations.

Building, electrical or plumbing permits may be required. The determination of the necessity of any permits is the responsibility of the homeowner. Obtaining any necessary permits is the responsibility of the homeowner.

Please confirm compliance with local, state or federal building or land use laws and obtain all pertinent permits. Changes to the proposed plan necessitate a resubmission of this form for additional review.

Please submit this application 30 days prior to beginning your project. Your application will be reviewed in a timely manner so as not to impede the completion of your project.

Please Mail Form and Drawing to:
